

THE REFER A FRIEND SCHEME

REFER A FRIEND AND RECEIVE £150 WORTH OF M & S VOUCHERS

The Refer A Friend Scheme provides an incentive for existing moorers to introduce their friends to our marinas. It does this by rewarding the introducing moorer with Marks and Spencer Vouchers to the value of £150.

There is no limit to the number of introductions that can be made by an Introducer. However, when you introduce each friend, you warrant that you have your friend's consent to make the referral.

The following information provides details of the Terms and Conditions under which you can 'Refer a Friend' and be rewarded.

Definitions

Introducer: an existing Geomac customer or someone on their database who introduces a "New Customer".

New Customer: a customer not previously known to Geomac and who enters into and pays for a quarterly berthing contract for a vessel.

Payment of the vouchers will be made at the end of the first quarter.

Restrictions

This offer cannot be taken in cash or in conjunction with any other offer from Geomac. This offer is subject to berth availability and the management's absolute discretion and for the avoidance of doubt, the management may at its sole discretion decline an application without explanation.

Geomac reserves the right to amend or withdraw this offer at any time without prior notice. Introductions cannot be made retrospectively, and introducers who are in arrears or in dispute with Geomac will not qualify for this offer.

This offer excludes Geomac employees and cannot be offered commercially. Geomac Rules and Regulations and normal terms and conditions apply.
